Test coverage

Measure	Coverage	%	Detail
Requirements covered (automated + manual)		**100%**	11 of 11
Requirements automated		**81.8%**	9 of 11 (2 manual-only in Zephyr)
Boundary testing (automated requirements)		**100%**	6 tested, rest justified exemptions
Error handling (automated requirements)		**100%**	7 tested, rest justified exemptions
Fully compliant requirements		**100%**	11 of 11
Pages with an accessibility test		**100%**	5 of 5
Test pass rate		**97.3%**	of executed tests
Source code line coverage (unit)		n/a	n/a: black-box run, no source code available

Boundary testing and error handling

> **Boundary testing** checks the edges of every input and limit: empty, smallest, largest, one past the limit, special characters, unicode, and screen sizes.
> **Error handling** checks that bad input, missing pages and failing services produce a clear, safe outcome rather than a crash or a server error.

Type of test	What it proves	Tests	Passed	Failed
HAPPY PATH	The normal journey works	11	11	0
BOUNDARY	Limits and edge values are handled	16	15	1
ERROR HANDLING	Failures are handled safely and clearly	10	10	0

Manual tests (Zephyr Scale)

5 manual tests cover what automation cannot reach. Import **manual/zephyr-import.csv** into Zephyr Scale. These are not executed by this run.

MT-001 Sign in and sign out of a BBC account

Covers BBC-010 · High · /QA/BBC/Account

Objective: Check a registered user can sign in from the home page and sign out again.
Why manual: Needs a real BBC account; live login is out of scope for automated runs.
Precondition: A registered BBC account that you own. Do not use shared or production staff accounts.

#	Step	Test data	Expected result
1	Open the BBC home page and click Sign In.	-	The BBC sign-in page opens.
2	Enter your email and password and submit.	Your own BBC account	You return to the BBC with your name or initial shown in the header.
3	Open the account menu and click Sign out.	-	The header shows Sign In again.

MT-002 Sign in fails with a wrong password

Covers BBC-010 · High · /QA/BBC/Account

Objective: Check a wrong password gives a clear error and does not sign the user in.
Why manual: Needs a real BBC account; live login is out of scope for automated runs.
Precondition: A registered BBC account that you own.

#	Step	Test data	Expected result
1	Open the BBC sign-in page.	-	The sign-in form is shown.
2	Enter your email and a wrong password, then submit.	Password: WrongPass-123	An error says the details are not correct. You stay signed out.

MT-003 A news video plays with sound

Covers BBC-011 · High · /QA/BBC/Media

Objective: Check a video from the BBC News page plays, pauses and has working volume and captions.
Why manual: Needs real playback and audio; licensing and location change what is available.
Precondition: A UK or supported location, headphones or speakers on.

#	Step	Test data	Expected result
1	Open the BBC News page and click a video story.	-	The video page opens with a player.

2	Click Play.	-	The video plays and you hear sound.
3	Click Pause, then Play again.	-	The video stops, then continues from the same point.
4	Turn captions on.	-	Captions appear and match the speech.

MT-004 A live radio stream plays

Covers BBC-011 · Medium · /QA/BBC/Media

Objective: Check a live BBC radio station starts and stays playing.
Why manual: Needs real live audio, which cannot be checked by a test.
Precondition: Speakers on. A supported location.

#	Step	Test data	Expected result
1	Open bbc.co.uk/sounds and pick a live station.	BBC Radio 4	The station page opens.
2	Click Play.	-	Live audio plays within a few seconds.
3	Leave it playing for one minute.	-	Audio does not stop or stutter.

MT-005 Screen reader reads the home page sensibly

Covers BBC-001 · Medium · /QA/BBC/Accessibility

Objective: Check a screen reader announces the home page headings, links and menu in a sensible order.
Why manual: Automated scans cannot judge whether the spoken order makes sense.
Precondition: VoiceOver (Mac) or NVDA (Windows) running.

#	Step	Test data	Expected result
1	Open the BBC home page with the screen reader on.	-	The page title is announced.
2	Move through the page by headings.	-	Headings are announced in a logical order.
3	Move to the Sign In and Register controls.	-	Each is announced with a clear name.
